Wine description and information

The Lagrein Kretzer is called after the woven basket “Kretze” or “Krätze” that was used by farmers in order to separate the grape skins from the must. The vinification of this wine is carried out with the pressing and fermentation of the must in steel tanks, while its aging takes place in wooden barrels. The result is a salmon pink wine with red reflections and a fruity aroma. In the mouth, it is fresh and crisp, with hints of cherry and red berries followed by an elegant bitter finish.

Pairings

Our Lagrein rosé can be tasted with many main courses of the South Tyrolean tradition, like “canederli” or spinach ravioli, or during the summer period as an aperitif with a cheese board. Its ideal service temperature is 12°.
